PRODUCT PHOTOGRAPHY CONDITIONS & REQUIREMENTS

Product must be new or like-new condition, and image ready. Ready to shoot!

Simple product dusting and post-processing cleanup is included in above rates.

However, if a product requires more than basic preparation to make photo ready, we charge a \$1 per product processing fee to make it photo ready.

Packaged/wrapped products will be carefully unpacked and repacked in the same packing/wrapping as delivered. Sealed items cannot be re-sealed, but we will tape all sealed items and return product in similar packaged condition as received.

By hiring our services as product photographer, you 'the client' accept and waive responsibility for product damage for any reason. However, if we damage a product in our care, AT OUR SOLE DISCRETION we will replace the damaged item. We hold ourselves to very high standards.

We shoot any product style, background, or imaging requirements. We also offer product video.
